What's Up with FFA?

Corning FFA has had a great start to the spring season! Our students' CDE and LDE teams have finished competing and had great learning experiences. With that being said, our Chapter Recruitment Committee hosted 8th Grade AG Day! During 8th Grade AG Day students learned: Welding skills, FFA information and about our chapter events, what our agri-science and floral classes consist of, and forestry!

“At UC Davis our Parli Pro team competed and got feedback from college students who judged the competition. It was a great learning experience to prepare for Gridley Field Day the next day.” – Grace Loewen (Parli Pro Member)

We are proud to announce our very own Parli Pro team, and Claudia Wright made it to the Regional Speaking contest.

State Conference

Students will be heading down to Sacramento on March 21- to attend the California State FFA Convention. Students will attend a conference where State Officers will give retiring addresses and also do fun activities outside of our local town.

Show Clinic

Fair students were able to practice their showing skills before fair at Rodgers Ranch. It was a fun event where many students helped. Fair students learned from experienced students and judges to improve their skills.

March, 2024

During FFA week, students had many ways to engage in activities during the week. We held an egg toss during lunch in which our students participated, had a breakfast for our Greenhands, gave our staff succulents, and had dress up days for all students.

Get Involved!

Our chapter will be hosting a plant sale on April 9th. Come out and get your garden plants!

State Conference is coming up... Sign ups were due and attending students are excited.

Want to be a Chapter Officer for the upcoming school year? Officer applications come out March 25 and are due April 5th.

Banquet 5/8- Students will be invited to our end of the year banquet to celebrate the success of our chapter this year and recognize outstanding members.

Fair

Fair is coming up quick so our fair students should:

- be prepared with proper show attire
- have their animal on track to make weight
- be practicing showmanship
- complete fair entries

FFA Week Lunch BBQ!
